

WHAT WE DO?

India's Oldest Solar Organization:
Footprints across the Indian Subcontinent.

Solarizing Industries

Solarizing Household

Solarizing Institute

Solarizing Telecom Towers

Solarizing Petrol Pumps

MILESTONES

- The Happy customers list of RSPL are from the snowy peaks of kinnaur (H.P) to the blazing deserts of Jaisalmer (Rajasthan) to the sea locked island of Lakshdweep & Andaman, we have covered the entire breadth of the country.
- RSPL were the first to successfully commission eight 5KW DC solar power plants in the Andamans.
- RSPL has commissioned more than 20MW off-grid projects: One of the largest in the solar industry.
- RSPL Project Division executes turnkey Solar EPC Projects i.e., Energizing Lives from last 3 decades.

Project Development

RSPL is advancing the entire solar value chain by providing industry standard solar solutions to customer across the Indian subcontinent.

O&M

Highly experienced & dedicated staff having the ability to track all the indicators & parameters to optimise performance & ensure energy generation.

EPC

We strive to achieve professional excellence by offering best customised solutions for grid connected solar power plant, roof top solar power plant etc.

Analysis & Design

Best solution to the customer's requirement is provided with efficient design, robust structure and highly adaptive layouts.

Project Management

Ensuring that everything is completed on time, to avoid delays & increases efficiencies, we at RSPL take pride in our project management right from conceptualization to hand over.

Ritika Systems Pvt Ltd

Corporate Office: C-22/18 Sector-57 Noida-201301

Phone No: 0120-4298921, 4553597, 4327385

Email : info@ritikasytems.in, Website: www.ritikasytems.in

PROJECTS

- Proven track record of 32+ Years of Experience.
- National Footprint for roof top solar plants.
- State of the art machinery to install and commissioning of the projects.
- BOS (Balance of system)- procuring the right components to successfully install PV power plants.
